Race for Education

April 26, 2019

Dear Parents,

We are approaching the end of the second trimester. We are entering the last half of the school year! The teachers are busy planning meaningful lessons for the students and working to keep their attention on school. Please help us and there is still work that needs to be done!

The kids have had many opportunities to go on trips and experience learning outside IHM. I had the privilege to attend Temple University with our 8th Graders. They were attending a workshop for the Jr. World Affairs Project that they are working on in Social Studies Class. Some of the kids were saying how cool it was to interact with other students and meet different kids. They are all coming together to write resolutions for their various committees. It is so refreshing to see the young people working together to accomplish a task. The kids made me so proud to be their principal!

I loved walking around the building this week hearing the Dr. Seuss stories, seeing the crazy hats and the smiles on the kids faces!

IHM is such a great place to be, and I thank you all for sharing your kids with us everyday!

Have a Little Faith In Me,

Mr. Lowry

Lenten Service Projects– Gym

Throughout the season of Lent I will be collecting athletic equipment which will be donated to several different intercity athletic groups including the Snider Ice Hockey Program at Simons Recreation Center. These groups collect used but reusable condition equipment to be distributed to athletes of all ages in their programs. The ages of the athletes range from 4-16 and the specific items that can be donated include:

- Hockey gear (skates, gloves, helmets, protective gear)
- Baseball/softball gloves
- Cleats (football, soccer, baseball)

Donations can be brought to school in a plastic bag labeled gym donation on your child's gym day. Any questions please email me at dmartelon@iheartmary.org.
