

## Fellow St Paul Parishioners,

We are excited to invite you to join us for the 2018 March For Life in Washington D.C. this upcoming January. March for the elimination of abortion, and the protection of our unborn children – medically, legally, and morally. March with thousands of families from all over the US – starting at the Washington Monument and finishing at the US Supreme Court. On the National Mall, listen to pro-life advocates speak about the value of human life, and take part in the musical pep rally.

For information on the March, please visit [marchforlife.org](http://marchforlife.org)

The Hartford Archdiocese has made transportation and lodging arrangements for this event. Please review the details below. There are phone numbers for any questions that you might have about these arrangements. Bring the kids, and perhaps also do a bit of sight-seeing in our nation's Capital.
