To participate in the July 2019 St. Thomas More Youth Ministry Appalachia Mission Week, Appalachia Team members must offer a minimum of 20 hours of service to our Parish community between October 15, 2018 and July 6, 2019.

Each individual should keep track of their own service hours, listing the event/activity, the date, and the time served. **Team members who are in high school need to have their service verified by signature by an adult who supervised their service.** Service must be completed by the individual and not by a family member.

Options for service to our parish include, but are not limited to, the following:

- Being a liturgical minister (i.e. Extraordinary Minister of Holy Communion, lector, cantor/musician, altar server, greeter – each of these counting for one hour of service per Mass served)
- Decorating the church for a new season
- Lenten Dinners
- MoreFest
- Being a Religious Ed. catechist or aid (each session counts as 1.5 hours of service)
- Assisting with or leading an STM ministry that directly serves our parish (i.e. Adoration Chapel Committee, Two's Together, Funeral Liturgy Coordinators, Youth Ministry, Emmaus Retreat Leaders, RCIA classes, etc.)
