

The St. Richard's Guatemala Mission Group wants to thank you for your support of last year's 5K race, Run Across Guatemala. Our first annual race raised over \$4,000 for the Hogar de Los Ninos de San Francisco (St. Francis Children's Home) which is an orphanage located in Patzun, Guatemala. The 2nd annual Run Across Guatemala race will be held on Saturday April 8, 2017 at 9 AM at Harmer Pavilion in North Park. The orphanage cares for over 90 children, ranging in age from newborn to 18 years of age. Most of the children are of a Mayan indigenous background. It is located in the Guatemalan highlands and is part of a complex that includes a hospital, clinic, nutrition center and preschool. The country of Guatemala is known as the "land of eternal spring" and is very beautiful. Unfortunately, most of the people in this region are very poor and live in extreme poverty. There are still many deaths from childbirth and malnutrition.

Many of the children come to the orphanage suffering from health problems and developmental delays because of poor nutrition and lack of care. Thanks to the care and love they now receive, they are thriving. However, in spite of the wonderful care and good education the children are getting, there is a constant struggle to pay the needed expenses of the orphanage. Without the money we raise, the orphanage would close and the children would be living on the streets.

We'd like to thank you for your past support as a sponsor and want to ask you to please continue to support this year's Run Across Guatemala 5K/Walk.

Our 5K Race will benefit this orphanage and will help to keep the orphanage open and caring for these beautiful children. Our organization is a 501c3 charitable organization.
