Financial Reports

For the Fiscal Years

July 1, 2009 through June 30, 2010 and July 1, 2010 through June 30, 2011

Introduction:

Parish of the Holy Trinity Hudson (referred to in these documents also as Holy Trinity Parish or Church) has completed its second year in existence as a new parish in the Diocese of Albany, New York. It was created from the merger of two Diocesan Parishes: St. Mary's Church, Hudson and Church of the Resurrection, Germantown. Its incorporation date is July 1, 2009. This is the first time there is comparative financial data available for the end of the second fiscal year.

The reports presented (Balance Sheet and Income Statement) are for the Parish of the Holy Trinity Hudson. However, we can provide individual reports for St. Mary's Worship Site and Church of the Resurrection's Worship if you desire. Please see the contact information to obtain these reports, below.

Although officially we are a single corporate identity, we are still keeping our financial records separately to measure each Worship Site's operations. We are able to do this through the computer accounting program *Parish Data Systems* offered through the Diocese. The current reports presented here contain complete and combined financial records for the fiscal years 2009-2010 and 2010-2011 for St. Mary's Worship Site and for Church of the Resurrection Worship Site.
