PTC Commitment Policy 2019-2020

St. Theodore Holy Family Parents/Teachers in Christ in association with the Pastor, Principal and School Board provide opportunities for growth and development of this educational institution. Each family having a child registered at Holy Family Catholic School is considered a member of Holy Family's PTC. All funds raised by the PTC over and above its own operating budget are turned over to the general funds of Holy Family on a timely basis throughout the year.

As members, each family will be required to contribute **\$350.00** to the PTC organization each school year as follows:

- **\$100.00** payable no later than August 1, 2019, for which the family will receive **two (2)** tickets to the Annual Dinner/Auction fundraiser event to be held on January 18, 2020.
- **\$250.00** payable with full tuition payment or in monthly installments with monthly tuition payments.
