

COMMUNICATION UPDATE FROM YOUR PPC COMMITTEE- April 2019

Well fellow parishioners, Spring has arrived as we knew it would. We will be entering into better weather, more sunshine and a yearning for Easter, and your PPC committee continues to meet monthly on your behalf.

As you are aware, we are about to complete the Family of Parishes with the addition of St. Mary's Parish, West Lorne, and St. Helen's, Wallacetown, as they will join our Family in July of this year.

We encourage all parishioners to visit our web site; it has great appeal and any information you may need regarding our Family of Parishes can be found on line. If you require information on events being held at any of our parishes you will find it on our calendar on the web site. Once you visit our calendar, you will be amazed how many functions occur throughout our Family of Parishes. We are very proud of our presence on the web and we encourage you to become a regular visitor. Contact us if you have any questions, suggestions or ideas.

Remember communication is a dialogue not a monologue.

Over the past number of months we have had many consultations with church committees. These consultations have given us the opportunity to address certain needs within our parishes. We have formed the following committees under the umbrella of our PPC committee:

**Communications Committee
Evangelization Committee
Transition and Strategy Committee
Parishes Resources Committee**

Some of the above committees have begun to meet and in time we will be reviewing our Gifts and Talent Survey that many of you kindly completed. Based on reviewing the surveys we will be reaching out to you to assist us in our efforts to be the disciples God has asked us to be.

ITEMS AT UPCOMING PPC MEETINGS

- Reporting on a regular basis to all parishioners
- Signage/logo reflecting our Family of Parishes (5). Submissions for ideas are most welcome by the Communications Committee
- Planning for consultation with all church committees regarding our Mission and Vision statements.
- Financial status of all parishes.
- Location of future PPC meetings with the addition of West Elgin churches.

Please continue to pray for your PPC Committee.

Feel free to contact any member with your questions, concerns or ideas. We can only continue down this road of "making disciples" with your prayers, help and guidance.
