My Dear People of God,

As we anticipate another academic year, I would encourage you to inquire and consider the option of a “Catholic” education for your children. It is an education centered on a Catholic identity.

It is a blessing to have the freedom to express our faith and traditions. In a Catholic school we are able to mention God, study the Bible, and raise our children on the moral and ethical teachings of Christ. A Catholic school provides a safe environment to pursue an excellent academic education, an environment which fosters a sense of parental involvement and community, and an opportunity to be evangelized and catechized as a family as we move forward as a Christ-centered and Spirited-filled Diocese of Stockton.

My brothers and sisters, Catholic education is truly a gift to the Church and to our society in this day and age. Discern it, consider it.

For more information, please call the Catholic Schools Office at 209-466-0636 or email the Director for Catholic Schools, Marian Graham, at mgraham@stocktondiocese.org.

In the Peace of Christ,

Bishop Myron J. Cotta
