

Mary Nagle Charitable Foundation

St. Augustine 8th Grade Scholarship

The Mary Nagle Charitable Foundation was established to remember and honor Mary Nagle, who was tragically taken from us in 2005. Her two children, Christopher and Erin, along with her husband, Dan, who remain active in our parish, survive Mary.

The foundation has been established with its main goal to keep Mary's spirit alive by raising funds to provide assistance to charitable causes and educational needs within our parish and community.

The committee will award two \$1500. Scholarships, one male and one female, to deserving eighth grade students from St. Augustine Parish who will attend a local catholic high school in the fall. The scholarships will be awarded to those who have demonstrated their commitment to the parish and their faith through activities and services.

NAME: _____
