

St James at Sag Bridge

Confirmation Sponsor Certificate

Sponsors have an important role in the spiritual life of the young people entrusted to their care. They must help confirmation candidates live their baptismal vows, be willing to share their faith life, be an example of Christian living, be an active member of the Catholic Church, represent the church by supporting and encouraging their candidates, pray with their candidates and challenge them to live a Christian life, and present their candidates to our community and bishop.

Sponsors, therefore, are asked to give prayerful consideration of these obligations before undertaking such a serious commitment.

Please bring this form to your pastor and ask him to sign this document as an affirmation of your desire to serve as a Confirmation Sponsor.
