Tired of writing checks or using up all of your cash for offertory? Consider eGiving either thru your own bank / credit union or you can scan the barcode below to start using VANCO.

Using your own bank gives you the flexibility of setting up a donation similar to how you are probably paying your water, gas, electrical bills, house payment etc.

In addition to single payments you can also setup automatic payments that are mailed directly to St Anthony's on a day that you specify.

When setting up our bank payment use your church four-digit envelope number or family ID number as your account number and enter the address and phone number of St Anthony located at the top of the bulletin. If you don't have envelopes or know your family ID number email linda@saint-anthony.com and ask for your family ID number.

For credit card payments, scan the VANCO barcode below, setup your account, and then follow the on-screen prompts to begin credit card payments to St Anthony. You can also setup automatic payment (s) from your bank with VANCO as described above.

Next week we will take up a collection for St. Vincent DePaul. This organization at our parish has already helped many families in need. Through your generous contributions and support, we are able to provide assistance to families within our community who are experiencing difficulties within our social structures. The funds are used for families and individuals, who are in an unexpected crisis situation. We provide temporary financial assistance for rent, utilities, or other necessities, additional resources, prayer, and counsel. We work with other churches and agencies in our community, in the hope of helping them to become self-sufficient once again.
