

St. Edward's Catholic School

Safe Environment Training:

YOU MUST HAVE THIS TRAINING in order to come to class parties, attend field trips, drive for any school events, chaperone the ski days, volunteer in the school or be around our students. Mark your calendar! The first Safe Environment Training is scheduled for **Thursday, September 26th 5:30 PM** in the school basement.

Please read e-mails coming from Mrs. Hild in the next two weeks for specifics regarding registering for the class or what you need to do if you have already done the face to face training.

Student Guidebook (directory):

- We will NOT be doing a paper St. Edward's Directory this year (for parents who have been with us before). When you log-in to Parent Portals, you will see "Directory" on the top banner. Click onto that tab and it will take you to the directory that includes, names, e-mail, address, cell phone and students connected.
- Edit what information you want seen in the directory by others by clicking on YOUR NAME and DIRECTORY LISTING. You can "unclick" anything you don't want showing.
- Edit any WRONG INFORMATION by clicking on YOUR NAME and EDIT DEMOGRAPHICS. You can change address and phone numbers on that page. If anything else is wrong, please e-mail Mrs. Knaup at knaup-missy@sainteddie.org to let her know what needs to be changed.
