**\* Annuals and Vegetable Plants    \* Hanging Baskets and Planters    \* Herbs and Perennials  
\* Dried Flowers and Potting Soil    \* Gift Certificates are available**

We are located in the North Hills on Richard Road right down the hill from Rt. 19 and McDonald's in Wexford.

At our greenhouse, we have about 40 different varieties of annuals from ageratums to zinnias and everything in between. We sell annuals in packs, flats and individual pots which can be used to beautify your gardens or containers. Our family staff will be glad to assist you with ideas for your sun or shade areas. As an added service to our customers, we plant containers and planters to your liking. There are many colorful hanging baskets for you to choose from for that special spot at your home.

Potted flowers are plentiful at Eichner's as well as a full-color range of geraniums to choose from along with our German Alpine cascading ivy geraniums that bloom all summer long. We carry an assortment of perennials to accent your garden year after year. In addition to the plants we have to beautify your gardens, we offer a large selection of vegetable plants and over 20 different herbs for your culinary needs. We are open on Sundays from Mother's Day to Father's Day, in addition to our Monday through Saturday year-round hours.

In addition to our greenhouse, our farm market offers the freshest eggs in the North Hills (white, brown and fertile), fruits, vegetables (many organically grown), homemade pies and cookies, our own smoke house meats and pork products.

*We hope you take the time to stop by and see what makes our  
family farm "a real find" in the North Hills!*
