

STEWARDSHIP

November 11th.....\$2,061

Bobcat Catholics like you provide more than half the resources necessary to bring students of Texas State closer to Christ. Contact Tom Deming, Development Director, anytime to join our mission at 512-738-5920 or [tdeming@txstatecatholic.org](mailto:tdeming@txstatecatholic.org)

HE WILL GATHER HIS ELECT

When we contemplate this great promise, we should together with angels, live all anew from the Lord's mission. We may be ruled by certainty that the Lord is with us, that his election is grace; and we should try ever more, in everything we do, in every conversation, in every book we read, in every kind of work we have to do, be it ever so worldly, to live from the thought; he is with us; we have a share in his mission, and we must carry it out together with his angels.

Thus, we are not like school-children who at some point are done with their task; rather, we have been sent our whole life long. Our task never lies behind us; nothing in our life may be withdrawn from it; everything all the time lies within it.

If we try always to live in this thought, to make it come alive in each meditation, and to give thanks for it, then it will accompany us without emphasis through the days, and, more and more often, we will become aware of it. This will lead us to feel that we are better than others; on the contrary, it will teach us from the mission the humility, on other, should continually render each other fruitful.
