PARISH INFORMATION SAFETY — We are working on upgrading parish safety. One aspect of this effort is the training of volunteers from each Mass to use an AED in the event someone goes into cardiac arrest. If you have a medical training background, or are interested and willing to learn how to use an AED, please speak with **Ed Barros. 541-285-3312**

PRESENTATION, Weekend of June 22, 23
 — As the end of the fiscal year approaches, we plan to present a **financial report** and provide details about the **capital improvements** that have been made this year, and those that are anticipated in the future.
