

DIOCESAN MARRIAGE PREPARATION PROGRAMS

Every couple to be married in the Diocese of Pittsburgh is required to participate in a diocesan-approved marriage preparation program which should be taken at least six months prior to your wedding. Pre-marriage programs are offered in three models: a parish-sponsored program (including the Renew the 'I Do' Marriage Preparation program), the Engaged Encounter weekend retreat, or online formation through Catholic Marriage Prep.com, the only approved online pre-marriage program for the Diocese of Pittsburgh.
