4th Wall Theatrical Production's Summer Theatre Camp program at St Columba is temporarily relocated to St Mary's Wappingers for the Summer 2019 season due to church renovations.

Have your 5-15 year old child join and experience one of the most acclaimed theatre programs in the Tri-State area now celebrating our 19th year! Whether just a week or the entire month and a half, it's still the best (not to mention the best value) in Dutchess, Orange, and Putnam Counties.

During the fun-packed weeks, your child will learn:

Interactive Theatre Games, Communication Exercises, Proper Diction, Critical Thinking Skills, Confidence Building Activities, Motivational Games, Creative Problem Solving, Improvisational Workshops, Backstage Production ...and every week-long session ends with an onstage show (Friday @ 3pm)

Our instructors include professionals who have worked with MTV, Nickelodeon, VH-1, Madison Square Garden, Wilhelmina Models, CBS, NBC, Cruise Lines and Theme Parks.

~~~ DAY CAMPS (9am - 4pm) ~~~

**Week 1: July 8 - July 12 & Week 4: July 29 - August 2 - Musical Theatre**

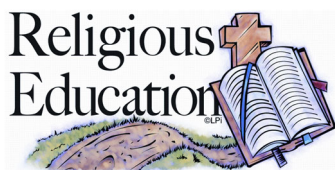

Our intensive week-long musical theatre camp teaches your child the entire process of putting on a musical by actually producing a musical in one week. It is fast-paced as every child is given a chance to shine and stretch their musical abilities. Reading music, harmony, melody, choreography and blocking, as well as backstage work such as sets, props, and costumes are all part of the program.

**Week 2: July 15 - July 19 - Improv**

Do you want to sharpen your child's wit and ability to think on her or his feet? During our week-long session, your child will learn the techniques and rules necessary to put on short and long term improvisational scenes and shows. This helps develop the understanding of sharing a stage with other actors and learning to let go of control of a story.

**Week 3: July 22 - July 26 - Acting**

In our week-long acting camp, your child will learn every aspect of the theatre world. The children participate in every aspect of the show during the course of the week with the creation of costumes, sets, and props along with learning about storytelling, script reading, character development, pantomime, improvisation and more. Confidence building and public speaking skills are learned through theatre games focusing on eye contact and projection. *For more information, email [4thwallcamp@gmail.com](mailto:4thwallcamp@gmail.com).*
