

Confirmation Service & Ministry Log

SERVICE TO MY FAMILY--This is service above the normal responsibilities that are yours because you are part of your family. Cleaning your room is NOT service to your family. Doing your sister's chores so she can study for a test, and NOT having her pay you back might be considered service.

SERVICE TO MY SCHOOL--This is service over and above what is expected in School. Anything you would do anyway at school is not service. Service is what you do on your own time, not for a grade.

SERVICE TO THE WORLD—This is service that helps those outside your city.

This service could include The Heifer Project, Hands for Haiti or other charities, helping those affected by natural disasters, or the hungry, poor, or persecuted around the world. Perhaps you could plan and hold a fundraising event with a group of your friends.
