Call to Order: Gospel was read and discussed. April minutes were reviewed and approved.

What Have You Heard? -Fr. Del

- June 3 Mrs. Haushalter and Sr. Del will be recognized at the 11:30 Mass, followed by a reception in the school cafeteria.
- Parish Leadership Meeting has a tentative date of October 20, 9am-12pm.
- Parish Picnic will be Aug 18. Everyone is invited to bring a dessert and your own cooler of drinks. Fr David will be doing kids games.
- FAB has traditionally provided drinks for the picnic and are suggesting just water for this year. PC thinks that is a good idea. Mike suggested looking into water left over from festival.
- There was a woman asking for money after Mass. Much discussion on how best to handle situations like that. **Fr. Del** will make a St. Vincent de Paul card that we will be able to give them.
- Athletic Boosters By-Laws: There are proposed changes for tournament rules regarding how many tournaments each grade can have, also on how to decide how teams are made up and involvement of the coach. The changes were discussed but there were no current bylaws to compare them to. Questions will be sent to the Boosters.
- **PC members** need to reach out to their commissions to make sure their sections of the web are current, especially the bylaws.
- Parish Festival- encourage the use of SignUpGenius. Mike will send the link to Fr. Del to get it onto the parish website.

What Have You Heard? -Fr. David

- Putting together a summer list of activities for youth in the parish, including 3 by Fr. David.
- Would like to get teen meet and greets going meeting in homes. Goal is to get parents more involved, not with time but with intentional thought.
- One suggestion was to use a reunion to get kids back together after they start high school.
