TREASURES FROM OUR TRADITION

There are many ways in which religious communities are organized. Some have a central authority in a congregation, and others have a “rule” that is shared by all the members, but are a kind of federation of independent houses. Sometimes, congregations with distinct histories and ministries decide to merge. Several years ago, one of the largest mergers on record took place. Seven independent congregations of Dominican women religious, most in the Midwest, are now one new congregation enfolded more than seven hundred members spanning thirty-six states. The oldest of the founding groups, the so-called “Kentucky Dominicans,” began as a frontier community in 1822. Other communities have European roots. To get to this historic moment, the sisters spent many years in conversation, and approved the new structure by a two-thirds majority vote.

This was then ratified by the Holy See. The merger allows the sisters to pool their resources in order to be more effective in ministry. They are living the Paschal Mystery, experiencing Christ’s dying and rising in an inspiring way.

BELIEVING IN JESUS CHRIST

Throughout the Easter season, all three of the Sunday readings are taken from the New Testament—the Christian scriptures. Together they explore what it means to believe in Jesus as the Christ, the One who fulfilled the prophecies of the Jewish scriptures. Today’s selections refer to our human weakness, yet they emphasize the forgiveness and peace that are available to those who put their faith in “Jesus Christ the righteous one” (1 John 2:2). In the Acts of the Apostles Peter invites everyone to repent, therefore, and be converted, that your sins may be wiped away” (Acts 3:19). The First Letter of John calls Jesus Christ “expiation for our sins” (1 John 2:2). Finally, in the Gospel Jesus greets the disciples with “Peace” and urges them to preach “repentance, for the forgiveness of sins”

(Luke 24:47).
