

## **Welcome Cookie Crews 2019-2020!!**

We are so excited to have you all aboard!

This is how Cathy and Gina will communicate to the crews, please check frequently at the Cookie Baking Tab on the school website for important information!

All in all, please come and have some fun! Try it out, meet some other parents and network. And, if you are unable to commit here, there is our **Annual Golf Outing on October 4<sup>th</sup>** which is another great opportunity to pitch in. **We will be suspending Cookie Baking for Oct 4<sup>th</sup> only for the day.** This is our other large fundraiser of this semester and it is collaborative effort between both venues to garner support from our school community.

For all joining in on a crew please save the following information:

**IMPORTANT CONTACT: Cathy Fraschilla [jocat923@msn.com](mailto:jocat923@msn.com)**

Please read the following and take note:

1. Have some fun! (This is an order) Sing some Christmas music (there is a radio/CD there), laugh a little, enjoy these moments! They are rare, cherish them.
2. In the words of the late, great Bob Ross, "There are no mistakes here, only happy accidents". Keep it light. This is a learning process and we are learning together.
3. A wise woman once said, "Blessed are those that are flexible. They will never be bent out of shape" Things don't always work out. Think in options.

4. We have absolute faith in our crews. We got this!
5. There is a Home and School Association fridge located by the “SHEETED DOUGH” fridge. There are light refreshments in there for your use, please help yourself. There is also a Keurig, a small one and Kcups will be provided. Our lovely ladies from our Fish Fry Team are donating condiments like sugar, stirrers. Please make yourself comfortable – just try not to dunk one of the cookies!!
6. NO SOLO ACTS! **Please no one solo at night.** Bring a friend. There is no compromise to this rule.
7. When in doubt, see #1.
