

LOCATION

St. Mary's Catholic School operates two campuses in Alton. The Pre-K through 5th Grade facilities are located on the original parish grounds, conveniently located just a few blocks from Marquette Catholic High School near the Mississippi riverfront in downtown Alton.

Since 2006, the Middle School facility serves 6th Grade through 8th Grade on the site of the former St. Matthew's School in the eastern corridor of Alton.

OUR MISSION

St. Mary's Catholic School exists to support the life of the Catholic Church by serving families who desire a Catholic education for their children. In collaboration with parents, parishioners, and community, our pledge is to provide an education that forms Christian leaders spiritually, intellectually, morally, physically, and culturally. Guided by the Gospel, students are challenged to fulfill their potential as life-long learners committed to following Jesus' example through worship, service, and love.

BE IT KNOWN TO ALL WHO ENTER HERE THAT

CHRIST

IS THE REASON FOR THE SCHOOL.

He is the unseen but ever present teacher in its classes. He is the model of its faculty and the inspiration of its students.
