Dear Parents,

As you know, we've been working hard on our Children as Citizens Project and many exciting things are happening as a result! One such thing is that we will be publishing our very own book that includes our thinking about our city as well as the thinking of children in four other amazing schools in Washington, DC.

As we gather our thinking for our book, we wanted to inform you that we have been asked that our students be listed in the book by their full names. If this is something that you are uncomfortable with, please contact me at your earliest convenience so we may schedule a time to talk.

Additionally, please mark your calendars for Saturday, April 25<sup>th</sup> from 10:00 am – 1:00 pm so that you can join us in celebrating the publication of our book at the National Gallery of Art! All families are welcome and we would love to see you there! Please save the date.

Thank you so much for your ongoing support during this amazing journey of learning!

Sincerely,

## Children as Citizens Party!
