

STS Coding Club

This year St. Therese School will have a Coding Club for grades 3-8. The club will introduce students to programming in a fun and interactive way using the Scratch programming language. It will meet once a month on Mondays after school for an hour. The first meeting will be in October on a date to be determined. If interested, please fill out the registration form below and return it to the school by Monday, September 9th.

If you have any questions, please contact Bryan Mulvihill at: mulvihill.bryan@gmail.com
