**BECOMING
 DISCIPLES
 TO SPREAD
 THE GOOD NEWS**

Peter and Andrew became disciples when they dropped their fishing nets and began to follow Jesus. Do you remember when you became a disciple? I do. It was 1964 and I went to the Boston Garden with some friends to a Billy Graham Crusade. Cardinal Cushing had announced in the Catholic newspaper that it was OK for Catholics to attend and so we showed up not really knowing what to expect. Dr. Graham came to the stage and began to preach. He spoke movingly about how Jesus had come into the world not to condemn us for our sins but to suffer and die so that we could have eternal life. He backed up his witness by quoting effortlessly from the scriptures. As he was finishing up, he invited anyone who wished to have the assurance of life forever with God to come forward and make a decision to follow Jesus. My friends and I looked at each other and left our seats to make that decision. I entered seminary later that year. Let me make it clear that this was one of many occasions over the course of my life when I had the opportunity to make that decision. What each of those moments had in common was that I had to make the decision *intentionally—with my whole mind, soul, and strength.....*aided each time by the grace of God. Billy Graham was an intentional disciple who was able to pass on to others the precious gift of faith that had been given to him.

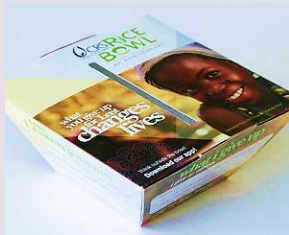

Deciding to follow Christ is not an anonymous endeavor. The decision results in being able to participate in the mission of spreading the joy of the Good News: *God loves us and sent his son to die and rise for us so that we don't have to live or die in our sins.* This is a love that changes us and has the potential to change the lives of others.

The more formal word for this sharing of God's love with others is called *evangelization*. And it's not just for unbelievers anymore. There are countless people who are or who have been members of the church who are qualified by their baptism to be disciples, but they do not yet believe enough to make an intentional decision to follow Jesus.

Fr. Robert Barron's video series on the *New Evangelization* sets out very good and convincing reasons as to why sharing the faith is needed now more than ever. It is visually stunning and intellectually and emotionally inspiring. I hope and pray that you signed up for a small group today during Mass. If you didn't, please reconsider. Find a card and indicate the best times that you would be willing to set aside to participate. Christ wills that we become his disciples. That is why he baptized and confirmed us. That is why he gives us his own flesh and blood in Holy Communion.

PRAY FAST GIVE

What You Give Up for Lent Changes Lives!

There are few things more familiar to Catholics than the **Rice Bowls** we use to raise money for Catholic Relief Services every Lent. Please place one on your kitchen table and every time you sit down for a meal, place a little money in it to help provide food for the poorest of the poor. This is an excellent way to *practice almsgiving* during Lent.

When Lent draws to a close, please take the proceeds from the Rice Bowls and convert them into a check made out to CRS and bring it to Mass on Holy Thursday or Easter Sunday.

BEGINNING EXPERIENCE

There is help for the heartache of separation, divorce and widowhood at a Beginning Experience Weekend. The program helps with the natural grief process and offers an opportunity, through God, for turning the pain of loss into an experience of positive growth. Trained team members who have suffered the loss of a loved one share their experience as they lead participants through presentations, private reflections and small group sharing. The next Beginning Experience Weekend will be March 6-8 at the Catholic Pastoral Center. To register, contact the Office of Family Life at (405) 721-8944. To download the registration form, go online to www.archokc.org/FamilyLife.

SAFE ENVIRONMENT TRAINING

Sunday, March 1st
10:30 am McConnell Room

If you use the nursery it would be greatly appreciated if you would consider showing your gratitude by donating just an hour or two a month to help out in the nursery. The nursery is operated by people who are willing to give a little bit of time so that your children have a safe alternative where they can enjoy the time while you are in mass. If we had enough people willing to help we could provide more services but we are limited by those available and trained. Workers can be volunteer or paid but must be at least 14 years old.

All volunteers in the parish whose work brings them into regular contact with children must be trained in the requirements of our Safe Environment program. It basically involves watching and discussing the special video provided to us by the Archdiocese. Each volunteer must also undergo a background check at parish expense. We cannot be too careful in making sure our children and young people are in a safe environment here at the church and at church events off campus.
