**CLEAN HEARTS
LEAD TO
NEW VISIONS**

Vision statements fall into two broad categories:
1) A bunch of words that may not make a lot of sense;
2) Words that vividly express our hope for the future.

I have always been guided by a vision for the parish, but here is the way I have been expressing over the last year and a half

***We are called to become a
Community of Faith in which
ALL ARE WELCOME
To become friends with each other,
with Christ, and with all His friends
including the hungry, the thirsty,
the naked, the homeless,
the sick and the imprisoned;
becoming Holy even as God is Holy***

Vision statements are future perfect, expressing the kind of parish we want to become. Mission and purpose statements, on the other hand, express the principal strategies that will propel us toward the vision. Here's an attempt at a statement based on one we formulated in 2004:

***As disciples of Jesus
We Worship God in spirit and truth
We Serve the Lord in the needy & poor
We Love others as God loves us
And We make disciples by sharing the
Good News near and far***

Have you given any thought to adopting a personal vision and mission statement? Remember the adage: If you don't know where you are going or how to get there you may not like it when you reach a destination. Something to think about.

Life Kids

Sundays 10:15am – 11:30am

Participation in Saturday/Sunday Mass is THE key ingredient in helping parents shape the Catholic faith of their children. Children need to participate in both Mass and RE Classes to become faithful disciples of Jesus and especially if they are preparing for sacraments like First Communion or Confirmation. Participation at Mass is required for those preparing for any sacraments.

GO MAKE DISCIPLES

THE ALPHA COURSE

We like to think of *ALPHA* as a principal way in which individuals can develop or enrich their relationship with Christ and so make a decision to be his *Intentional Disciples*.

There's still time to begin the present *ALPHA course!* Come and experience Jesus as a teacher, savior, and true friend.

SMALL DISCIPLESHIP GROUPS

The teachings of Jesus and of his church make it clear that all the baptized are called to *Go Make Disciples*. Our parish is committed to equipping intentional disciples to fulfill this great commission. Groups of 8-12 gather on a mostly weekly basis to learn the requirements of discipleship. Along the way they become friends with Christ, with each other, and with those Jesus called the least of his disciples—the lame, the halt, the blind, the poor, the naked, the homeless, the sick and imprisoned. This a Great Adventure for which we invoke the intercession of St. Andrew and the Blessed Mother.

**PREPARING FOR BAPTISM CLASS
SUNDAY MARCH 4th
1pm in Room 4**

We conduct this one session program for members of our parish who are planning to baptize a child for the very first time. First time godparents are also welcome, but participation is optional. There are other expectations of parents who are going to promise to raise their child **in the faith of the Church**. Following this class, parents must contact Father Jack **at least 30 days before the date you are requesting** to see if there may be any special circumstances in **scheduling the actual baptism**. Child care is available upon request during the session.

**SAFE ENVIRONMENT TRAINING
SUNDAY, MARCH 4th
10:15am McConnell Room**

For many decades now, the Catholic Church has worked diligently to make our churches and schools a **SAFE ENVIRONMENT** for all children. Providing such a nurturing environment results in our requiring all who work directly with children and young people in our parish—especially catechists, chaperones, and nursery workers. **We also highly encourage all parents with children in religious education classes at all levels to become safe environment trained.** If you volunteered to help with the children and have not been trained, you need the training first. Youth who turn 18 require training before they can participate in any conferences or mission camps.

HEALING PRAYER MINISTRY

Beginning in March, we will be initiating a *Healing Prayer Ministry* for all who are seeking the Lord's healing power.

Have you or someone you know been facing difficulties? Have you ever wished just to be touched by the Lord himself and be healed like the many people we read about in the New Testament? Did you know that St. Paul taught that the Holy Spirit imparts a special gift of healing to individuals willing to use it in the service of others? There are such individuals right here at St. Andrew's and they are ready and willing to offer healing prayer to all who seek it. Keep in mind that God does not always will a physical healing, but may choose to bestow a spiritual or emotional healing.

Individuals discerned by our Pastor as recipients of a special gift of healing will be available on the 3rd Saturday of each month immediately following the 5pm Mass or at any other time requested. For additional information, contact Fr. Jack.

**LENTEN
PENANCE
SERVICE**

**Thursday, March 15th

A Thank You Note From

**MOORE FAITH
MEDICAL CLINIC**

We are so very thankful for your generosity! Because of the amazing support of the St. Andrew Church family and the Knights of Columbus, we are able to continue and expand this important ministry to hundreds of patients in our community. We live in a time when we especially need to be good neighbors to one another, and so many in our community need to experience a personal relationship with God, through Christ.

Thank you, Father Jack, for helping us to realize that vision. Your generous donations will enable us to purchase much needed medical supplies and critical life-saving medicine for our patients. This will enable us to expand our mission of providing free healthcare services to those without adequate resources in our community. We are very thankful for your partnership and friendship in the Name of Jesus!

Very sincerely,
Pastor David K. Evans
Executive Director
