INSTRUCTIONS for Hospitality and Gift Bearers

If you are unable to attend on your scheduled day, please ask someone else to cover for you or contact me. If I cannot find a replacement, I will be the door Greeter for you in your absence.

When you arrive to serve as a Greeter, please check the Holy Water font for Holy Water at your entrance location. If there is no water or very little water, please refill the Holy Water font from the silver Holy Water tank that is in the front of the church to the right. The Holy Water fonts at the entrance of our church doors symbolizes for us the difference between ordinary space and a sacred space. When we enter in the Holy Place, we bless ourselves with Holy Water. We leave behind worldly noise, confusion, and everyday activities, and we refresh and renew ourselves by the order of silence, reverence, and beauty of the sacred space. The space we use for prayer and worship. We transition from normal into a special place of divine worship. If the Holy Water font needs cleaning, and please bring it to my attention.

If there are no Bulletins in the holders on the wall or you run out, please check in the Sacristy.

Please remember the Greeters at the front doors act as gift bearers. You know the designated pew. Keep in mind there are times we ask others to bring up the gifts. This could be during Advent, Easter Vigil, a special event, etc. We will let you know.

If you would like the next schedule emailed to you, please provide me with your email address, and I will do that for you.

Thank you for giving of your time to the Parish of the Precious Blood, Holy Rosary Church, and acting as a Greeter/Hospitality and/or Gift Bearer person. You are the first person that people see when they enter the church and YOU DO make a difference. A person may be having a miserable day, but with a smile and a friendly welcome, you can

make all the difference in the world to a person who is suffering. You also see guests who come to the church, it is up to each of us who serve on this Ministry to extend that friendly hand or a warm smile and make them feel welcome and want to return. God Bless you for serving.
