

TOWN HALL MEETING: Marystown Hotel & Convention Centre, Thursday, April 25th, 2019, at 7pm. The NLPSPA (Newfoundland and Labrador Public Sector Pensioners' Association) and the other cooperating organizations of the Newfoundland and Labrador Coalition of Seniors, Pensioners' and Retirees' Associations/Groups will be hosting a series of province-wide meetings beginning in April 2019. These meetings will provide information on the issues that are impacting the social security, health and general wellness of aging persons and will encourage participants to raise other issues that are important to them. Topics such as health care, cost of living, housing and electricity and other utilities will be addressed. The goal of these meetings is to publicly raise the issues, affecting seniors, in an open forum. This will ensure their concerns are on the radar of both the Federal and Provincial parties and their candidates seeking your vote on Election Day. Meetings are open to the Public.

**EASTER SUNDAY OF THE RESURRECTION OF THE LORD
APRIL 21ST, 2019**

Happy Easter! The women came to the tomb early in the morning to complete the burial rites for Jesus. Imagine their surprise when they found the huge, heavy stone rolled away, and the tomb empty! That empty tomb changed everything. The angels confirmed it with the question, “Why do you look for the living among the dead? He is not here, but has risen.”

Mary Magdalene, Joanna, Mary the Mother of James, and the other women ran to tell the Apostles the news. Imagine their frustration when the Apostles did not believe them! Peter must have realized, though, that there really was something momentous going on. He ran to the tomb, and found it just as the women had said.

Hope was born that morning. Jesus had risen from the dead. Death could not confine him. Because of that morning, death cannot confine us, either.

The Easter Egg Tradition: For many cultures, even before the time of Christianity, the egg was a symbol of creation, spring, and rebirth. After the resurrection of Christ, the egg took on new meaning for Christians and became a symbol of new life breaking forth while leaving the empty tomb behind. Eggs were what helped people to understand a new theological truth—the resurrection of the dead, and a new religion—Christianity—built around the first Resurrection. As a symbol of Christ’s resurrection, the Easter egg then became a symbol for the rebirth of all mankind at the resurrection on the Last Day due to the merits of Jesus Christ. “Easter eggs” were shared with one another as a joyful symbol of Christian hope.
