### **Guidelines for Fasting and Abstinence**

**Abstinence** – In the United States, this penitential practice consists of refraining from the consumption of meat. The Latin Church's requirement of abstinence binds Catholics after they have celebrated their 14<sup>th</sup> birthday, and it is practiced on Ash Wednesday, Good Friday, and the Fridays during Lent. Pastors and parents are encouraged to see that children who are not bound by the obligation to fast and abstain are led to appreciate an authentic sense of penance.

**Fasting** – By refraining from eating, a person can signify oneness with the Lord, acknowledge our need for conversion, and give witness to our solidarity with those less fortunate. Catholics who are 18 years and older and in good health are bound until their 59<sup>th</sup> birthday by the obligation to fast on Ash Wednesday and Good Friday. Traditionally, the canonical obligation of fasting has been understood in the church as the taking of only one full meal a day.
