Rules of Play

- Players must be made up of middle school students (6th, 7th, 8th grade). NO middle schoolers who are currently playing in high school or who have played for a high school team will be allowed on roster. In short, if you play for a high school team, you will no longer be allowed to play on a middle school team. Also, no elementary school players may compete on middle school teams. All players will practice with their respective teams. No exceptions.
- Players must compete for the school they attend. Homeschoolers are allowed to compete on a team by approval from John Walton or Scott Schofer.
- Each match will consist of 6 singles matches and 3 doubles matches. Coaches will do their best to ensure that all players participate in at least one match.
- Each team's line-up should be organized by player ability. Stronger players should play at the top of the line-up with less experienced players at the bottom.
- Each singles and doubles match will consist of one, 6 game set, regular scoring, with a 7 point tiebreaker at 6-6. Coaches may agree to modify scoring if weather becomes an issue.
- One point is awarded to each team for a singles or doubles win. Five points required to win the match. Matches will be played to completion.
- Coaches can go on the court to help with the rules and keeping score at anytime. Coaches from each team should help players on opposite teams when needed.

***Emphasis should be placed on SPORTSMANSHIP AND FUN!**

- Official roster and waiver of responsibility must be turned into Burlington Recreation and Parks by the first week of the season. Additional players can be added by giving names to John Walton.
- Players can only play singles or doubles.
