

Saint Gerard Society

The Saint Gerard Society is a ministry at John Paul the Great Academy intended to reach out with love to those in need by providing prayers and meals. Fostering a pro-life spirit, we bless families having a new baby with several meals. Additionally, we do our best support those families with extremely difficult life circumstances. We are asking you to please prayerfully consider serving as head coordinator for one year or simply joining as a member. The meals are organized through the "Take Them a Meal" website and you can sign up at your leisure. The meals are then left with the front office or the kitchen staff and presented anonymously to the recipient. This allows God to receive all the glory!

For any questions or to sign up, please contact Elizabeth Coleman (colemanelizabeth.85@gmail.com or 337-224-3171).
