**Sunday, June 15<sup>th</sup> Father's Day**

Happy Fathers Day! May God bless all Fathers with the graces needed to fulfill their vocation of taking care of the needs of their families. A father is a man who loves without cost to his children and tries to raise them to be fully human creatures with the abilities to make a difference in our world. This Father's Day, let your dad know that you appreciate all his efforts.

**Strength**--Your strength in helping me to tell right from wrong was a great gift.

**Honor**--You taught me that to honor myself was a way to honor the God who made me.

**Faith**--Thanks Dad for having faith in me, when I was not sure I had faith in myself.

**Love**--You loved me even when I did not love myself. For that I am grateful.

**STEWARDSHIP** – In today's second  
reading, we hear it proclaimed that we  
are blessed if we share in the sufferings of  
Christ. What then does it mean to "share  
in His sufferings" in this context? Most of  
us do not live in a part of the world where  
we could be killed for being a follower of  
Jesus. But we could face or "suffer"  
mockery, ridicule and disapproval from  
others. Far too often, and for various  
reasons, those who profess faith in Christ  
act as though they are ashamed of him.  
But to act ashamed is the same as a  
denial. Stewards of the Good News are  
never ashamed to reveal their love for the  
Lord.

Food expired? Don't be so quick to toss it.  
Use by dates contribute to millions of  
pounds of food wasted each year. Use by  
and Best by are indications of foods peak  
of freshness, it does not indicate that the  
food is spoiled or unsafe to eat. Sell by is  
for retailers to rotate stock and means  
nothing to the consumer. (Source CNN

## Karen's Corner

Did you know that the single greatest tool that we have in order to cooperate with God's will for our lives is self-control? Self-control is one of the nine fruits of the Holy Spirit, and in some ways is the one that is the toughest for us to live out. God gives us the freedom to choose to work with Him or against Him in our lives and relying on the fruit of self-control can make our lives so much easier. Self-control provides the key to enjoying the other eight fruits of the Spirit. We are surrounded by a culture that thinks, "If it feels good, do it!" to put it simply. But feelings are not what matters in doing the will of God, reason, will and self-control are the keys to doing the will of God, not emotion or imagination. We are surrounded by athletes and entertainers who are totally out of control as well as politicians and authority figures who "swim" in a sea of sexual relationships and appear to jump from bed to bed almost on a weekly basis! So how do we learn to master our passions and temptations in order to live in God's Spirit and to become better people? We need to study the Scripture to see what Jesus said about self-control: "Seek **first** the kingdom of God and his righteousness and **all** these things will be given to you." (Matthew 6:33) If we truly want to become people of God, then we need to choose God first and our feelings and emotions second. In our culture, there would be no need for artificial means of birth control if people were not having pre-marital sex! "But it FEELS good!" people say, but that doesn't make it RIGHT! If people really had self-control and put God first, there wouldn't

be this huge pressure to have sex outside of marriage! Then in turn, there would be fewer abortions and no need to hand out condoms in public school! Sexually transmitted diseases would take a down turn! This is a difficult teaching, but it is what GOD wants of us! I'll be the first one to admit that I have issues with self-control when it comes to the areas of eating and exercise. Being diabetic, I have to follow a stricter diet and I have to at least walk every day for 30 minutes, otherwise the consequences of my actions could be deadly. We need to have self-control when we drive, when we are speaking with people, when we begin to "tolerate" or judge people. If you are only "tolerating" someone, that is not love. We need to pray unceasingly in order to change, and that means reading spiritual books, reading the Scripture, taking time to listen to God and maybe even attending an adult education session or two! But most importantly, we need to receive the Eucharist as often as possible. There is strength in being nourished by Our Lord's body and blood. St. Peter said, "For this very reason, make every effort to supplement your faith with virtue, virtue with knowledge, knowledge with self-control, self-control with endurance, endurance with devotion, devotions with mutual affection, and mutual affections with love. (2 Peter 1:5- 6)

See you soon!

Karen
