

HOMEWORK BAGS
“Need to Read Homework”
Tuesday-Friday

- Please listen to your child read the Reading Mastery Book/Saxon Phonics Book/Journeys Reading Book sent home in the Homework Bag, and complete included Writing Activity. Your child is able to blend the words from the assigned reading. He/she has been reading these in class in a small group. Please be patient as they say sounds and blend words, and read sight words.

- The same Homework Bag is sent home each Tuesday, but the contents are changed each week and differentiated for your child’s level. A different Reading Book and Writing Activity will be in your child's Homework Bag each Tuesday and removed that Friday. These books are shared and used in our classroom, so it is important that the book sent home is kept inside your child's Homework Bag to return by Friday. This paper and completed Writing Activity should also stay inside of your child's Homework Bag for me to remove on Friday and view your child's progress.

- Please have your child write their name neatly at the bottom of this page and please initial that you have heard your child read. The Monthly Reading Log may also be colored in each time your child reads.

- It is so much fun watching your child learning to read! Enjoy this special time with your child and continue to support their love of reading. THANKS for all your help!

Blessings-
M. Casey
