

## “No Excuse” Words

The list below contains 100 “no excuse” words- those words that students are expected to spell correctly in all of their everyday writing by third grade. They are taken from a list of core words everyone should know.

Our class will have a test on these 100 words in **January 2018**. We will not have a regular spelling test that week. Please help your child prepare for the test by reviewing groups of words often.
