

Dear Parents,

I look forward to working together to make your child's year a success. As the teacher, I will do the following to help in this endeavor:

~I will treat and teach each student as an individual- being aware of each one's abilities, talents, strengths, and weaknesses.

~I will provide a classroom setting that is safe and conducive to learning and will insist that each person in our class "family" be treated with respect.

~I will walk with them on their journey to becoming greater followers of Jesus. I will encourage them to grow in their faith and friendship with God.

~I will communicate with you on a regular basis to make you aware of school and classroom events, special assignments, and general information you need to know.

I ask that you do the following:

~I will do my part in being my child's primary educator in faith.

~I will help my child use his/her planner and homework folder correctly by signing their planner nightly and monitoring their work.

~I will look through the information and work sent home in my child's "Friday Folder" and return it signed each Monday.

~I will encourage my child to strive for his/her personal best each day.

~I will support all efforts to ensure my child's classroom is a safe place where each person is respected as a child of God.

~I will listen to my child read as often as possible and will read with my child often. I will help my child complete the reading log and will sign it each time he/she reads.

~ I will let Mrs. Williams know if I have any questions or concerns about my child's experience.

Thank you for your help in making this a successful school year!
