August 14, 2018

Dear Business Owner,

The Saint Mary Catholic School has started a sports program for students from kindergarten through 4<sup>th</sup> grade. This is a non-competitive program focused on skill development, basic rules of play, fitness and fun. We will have parent volunteer coaches working with our students on a variety of sports throughout the school year.

We are looking for support from local business to help defray the cost of equipment for this program. The sponsorship levels are stated below. All sponsors will receive recognition on our t-shirts as well as in our school newsletter. Please take the time to look over the information and consider helping our program as we introduce our young students to the world of sports and fitness.

Sponsorship levels:

Halo- \$100

Wings- \$250

Angels- \$500

Thank you taking the time to consider sponsoring this Saint Mary Catholic School extracurricular activity. If you would like to become a sponsor, circle your desired sponsorship level and attach a business card to this letter. A contribution of any amount will be greatly appreciated by our players, parents and coaches.

Sincerely,

A handwritten signature in cursive script, appearing to read "Serra Abel".

Serra Abel  
Assistant Principal  
Athletic Director
