## WORKSITE INFORMATION

Calmar is a small town in NW Iowa with a big heart!

This will be CHWC’s first experience in Iowa, so the actual work assignments are still being arranged. However, the Ss John and Paul Youth Ministry Team has worked with the Youth Ministry team from Calmar on many trips in the past and we are so excited to be a part of this experience with them!

Past trips have had us working at the homes of elderly and disabled individuals, as well as daycare centers, food banks, shelters, and working alongside with other social service agencies. We expect similar experiences this year.
