Dear St Charles Borromeo School Parents:

The students in the Day School are counting down the days until summer vacation—so are the teachers! This has been another outstanding school year with many proud accomplishments. But there is always more to do.

As you know, there are no school-sponsored fund-raisers involving children at St Charles School. Furthermore, our day school parents enjoy one of the lowest tuition rates in the Diocese. Raising the necessary funds for our school is adult work.

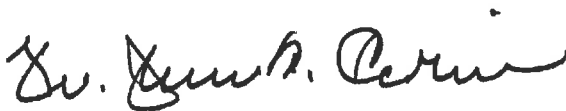

Our major parish fund-raiser is our Summer Carnival. Since I became pastor in 1987, the proceeds from our Carnivals have gone to improve our parish campus and to make significant improvements and major purchases for our school. In just the last two years we have purchased 60 Chromebooks for student use, enhanced our security/surveillance systems, and added an all-concrete playground area. Our principal, Mrs Updegrove, has already submitted her 2019 “shopping list” for the proceeds from Carnival 2019!

Thank you to those day school parents who so willingly volunteer to help in a variety of ways throughout the year. The purpose of this letter is to remind you of the commitment made at your Parent School Admission Interview: *Day School parents will volunteer joyfully to help with our Summer Carnival.* First, parents are expected to sell the raffle tickets sent to your home. Additionally, as a school parent, you are expected to volunteer to help with set-up in the days prior to the Carnival, and/or to volunteer your assistance during the actual days of Carnival operation, *Wednesday through Sunday, July 10 to 14.*

Please use the link below to complete the Google form with your scheduling preferences for the 2019 Carnival. ***We kindly request that you respond to this request by Friday, May 17, 2019.*** Each classroom with 100% parent participation will receive a “dress down day.” Your prompt response will save us a follow-up phone call. You will also be contacted this summer about your assignment. We look forward to working with you to benefit the children of our school. Thank you to your kind attention.
