JANUARY**

Evangelization: That young people, especially in Latin America, follow the example of Mary and respond to the call of the Lord to communicate the joy of the Gospel to the world.

Liturgy of the Word

The first reading recounts the ceremonial instructions for receiving God's law. Saint Paul urges the Corinthians to remember they are a part of the one Body of Christ, regardless of their individual gifts and differences. In the Gospel, before proclaiming that Jesus is the fulfillment of the Scriptures, Luke begins by underlining the importance of passing teachings to new believers.

We spend a lot of time waiting. Waiting for people; waiting for events; waiting for time to pass; waiting for the cable guy to show up. One thing we do not have to wait for is God to fulfill His promise. That promise-of forgiveness and union-came in the person of Jesus Christ. And from the time of those who physically surrounded Him to today, the message has been simple: repent and believe. And that seems a lot more fruitful than waiting around.

Creating a Culture of Vocation

THE LOVING ENVIRONMENT of a family draws forth an individual's greatest talents and gifts. We've come to realize that creating an atmosphere in which children can hear the Lord's call is one of the most significant responsibilities resting on our shoulders as parents. Our own lives must reflect the presence of God, His Word, and the love He offers His people.

Pro-Life Corner

"If a woman plans to terminate her pregnancy, she commonly refers to the life within her as the 'fetus'. But if she intends to deliver and love and care for the little child, she affectionately calls him 'my baby'."
-Dr. James C. Dobson *Changing the words do not change the fact that it is a living baby.*
