Light Up Learning at Holy Family School

Anyone who has been to Holy Family School feels a difference when you walk through the doors. There is a light among the students – a connection that sparks through each interaction, each question, each shared laugh or “eureka” moment.

Holy Family’s classrooms are led by dedicated faculty and are full of eager learners with natural curiosity, and a desire to serve God and our community. They truly shine. Their future is bright, while unfortunately the rooms just aren’t.

This year, your gift to the Annual Fund will help support classroom lighting renovations in the Primary Grades Hallway. Upgrades would include removal and replacement of ceiling tiles and old lights to transition to new, energy-efficient LED lighting. This improvement will have an immediate impact on our students’ classroom learning environment and long-term impact reflected in reduced energy bills and maintenance costs.

In addition, your investment will also continue to support all the ways Holy Family ensures a bright future for our students, for example: providing a safe, warm, and secure school environment, purchasing the rights to produce our annual musical, supplies for engaging STEAM instruction, and faith-filled lessons that spread the light of Christ. With a goal to raise \$60,000, an investment in our Annual Fund this year will help Holy Family to balance the current budget while positioning ourselves to fund another specific renovation or upgrade next year.

Holy Family is ready to light the path to many new possibilities for its students this year and invites you to play an additional role in their bright future. Join us by pledging your support today by returning the enclosed form and your contribution to the school office or by going to www.myholyschool.org/give-to-hfs to make an online gift using our secure site.

If you work for a company that matches charitable contributions from employees, you may be able to double or even triple the value of your gift, at no additional cost to you. Please contact your company’s human resources department or check their website for details.

With #GivingTuesday on the horizon the Tuesday following Thanksgiving, as an extra incentive to give on that day, all families who contribute to the Annual Fund on #GivingTuesday will be entered into a drawing for their student to be Principal for a Day. Help us spread the word and share the excitement to Light Up Learning for Holy Family School.

Thank you for your continued support of our students and faculty. With your help, we will truly shine.
