Faith Matters: Sexuality

Discovering the meaning of life and God's plan for love.

In the beginning...
...He created them, male and female.

St. John Paul II shared, "The human body includes right from the beginning ... the capacity of expressing love, that love in which the person becomes a gift - and by means of this gift - fulfills the meaning of his being and existence."

Thursday, October 25th 7:00 p.m.
St. Aloysius Stapleton Hall

Presenter Bill Donaghy
The Theology of the Body Institute

7:00-8:00 p.m. Part I
High School teens, parents and adults of all ages invited to learn God's plan for sexuality. Discover a new lens to see who you are called to be in your relationships and in the world.

8:10-9:00 p.m. Part II
Parents and adults will learn how to continue the conversation at home.
Opportunity for Question & Answer

We especially invite parents and high school teens to join together to continue to address this topic and explore how our faith can help! For parents, it's never too early to come hear the facts and understand how your faith plays a role!

The Youth Room will be opened at 8:10 p.m. as a safe space, supervised by adults, for teens to do homework while parents attend the second half of the program.

Hosted by: St. Aloysius Catholic Church
40 Maple Street New Canaan, CT

Funds for this project were provided by Foundations in Faith, Inc., The Saint John Paul II Fund for Faith Formation.
