

THE DANBURY HOSPITAL FAITH COMMUNITY NURSE PROGRAM

PRESENTS:

THE COMMUNITY CARE TEAM

Improving Outcomes for At-Risk Greater Danbury Residents

GUEST SPEAKER:

Kevin McVeigh

The Community Care Team (CCT) is a community-based outreach initiative that is changing lives, saving lives, and helping vulnerable greater Danbury residents receive the care they need. Join us as Kevin McVeigh, a High Risk Navigator for CCT, explains how his team, in partnership with other local service providers, cares for individuals struggling with a variety of issues, such as substance abuse, chronic medical or mental conditions, and homelessness. Learn how this multi-disciplinary team provides efficient, individualized wrap around care for vulnerable individuals.
