### Quinceañeras

If you are thinking of preparing for a Quinceañera, it is necessary to have two complete years of CCE with no more than three absences each year. If you are planning for 2017, you do not have enough time for preparation, according to guidelines that were published repeatedly in the bulletin this time last year. If you are planning for 2018, it is necessary to register **NOW** for CCE for the coming year. For students that are attending classes now, you must continue every year until your Confirmation.

Si usted está planeando para el año 2017, no tiene tiempo suficiente para la preparación, conforme a los lineamientos que se publicaron en el boletín repetidamente esta época del año pasado. Si usted está planeando para 2018, es necesario registrarse ahora para CCE para el próximo año. Para los estudiantes que asisten a clases ahora, debe continuar cada año hasta su confirmación.
