MISSION STATEMENT

Sacred Heart School provides a loving environment where students become lifelong learners through experiences that promote knowing, loving, and serving God and all creation and where faith, academics, and service are valued and celebrated.

Congratulations to ADDISON POTEET for earning her 50+ points in Accelerated Reader!! Good JOB!!

Registration for 2019-2020 is open:

--Families ENROLL their current students and pay Registration fees every year by June 1.

--NEW students first APPLY for admittance online, meet with the principal, and pay a \$25 fee/student. Once accepted, they then ENROLL online.

--SHS is not allowed to accept students for 2019-2020 unless the child is 3-years old on or before Sept. 1, 2019.

Earn Volunteer hours at Castaways on Saturdays in the back or at the register!! They need help from all of us!!

Thoughts for Lent: Think about writing your child a love letter. If your child is too young to read, read it to her or him and draw a picture or put a special sticker on it. Then give it to your child and tell her/him to keep it in a special place where you can read it again. The beauty of a love letter is that it recreates the love every time it is read...it could become your child's and your favorite bedtime ritual.

SHS is always trying to improve our services to our families: see important info on new "Report It" System from diocese.

Many thanks to Chairpersons:
Michael De La Garza & Danelle Patterson
