Newsletter August 23, 2019

Welcome to 2019-2020! Thank you, families, for bringing your children to SHS where we work every day to help each child become a lifelong learner through experiences that promote knowing, loving, and serving God and all creation and where faith, academics, and service are valued and celebrated!

These first two weeks of school have been a joy because our school has been blessed with such precious children all the way from 3-years of age to our senior 5th graders. As we learn more about their unique gifts and personalities, each of us realizes how fortunate we are here at Sacred Heart. As we form partnerships with families for the good of each student, our focus is to help students develop into independent learners who become skilled at problem solving, leading, and contributing to society by using and increasing their skills and talents.

Imagine a classroom where many children are here for the first time, where each teacher shares her gifts and experience, and yet where all come from different homes...these are the classrooms of our Montessori students right now. Some are barely 3 years old. We all want them to be happy and content as they navigate through these first weeks of school. Is it difficult? Yes, especially for those who haven't been away from parents for the whole day before now. Will they be able to adjust to a new environment, make friends, and learn to actually LOVE school? That is our expectation and our norm, and with some patience, gentle guidance, and thoughtful conversations, these goals are realized every year!

So, get ready for a terrific year here at SHS! Please call or email the office, your teacher, or one of our PTA officers if you have any questions! We're here to help you and your children have a wonderful year!

Blessings,
 Mrs. Barnes, Principal

REMINDERS:

1. Please sell your Raffle tickets and return the money and stubs to the office.
2. Students wearing pants/shorts with belt loops need to wear a belt to school. If your child doesn't need a belt, then take the loops off of the pants.
3. We appreciate no cell phone usage while in the drop off or pick up line. Thank you!
