 Fifth Sunday of Easter

*Let us love not in word or speech but in deed and truth.*  
 -1 John 3:18

### BEARING FRUIT

“Children, let us love not in word or speech but in deed and truth.” John’s words come to us on this day when the Gospel passage presents us with the great image of the vine and the branches. Jesus uses the image as a warning to those who have begun to distance themselves from the way of the Lord. One of the ways this happens is when we love God and others “in word or speech” instead of “in deed and truth.” What does it mean for us to “remain in Christ”? In an extension of the metaphor, the Lord gives us an example. If we remain in him, we will bear much fruit. As the branches, we draw strength from Christ who is the vine. This strength enables us to bear fruit—to do the work of true discipleship.

### TREASURES FROM OUR TRADITIONS

Over time, the crisis of last illness and the way the faithful met death changed. In earliest times, a sickbed vigil was an occasion for the community to gather and strengthen the dying person with assurances of love. A thousand years ago, in part because of massive upheavals in society, a new emphasis on individual repentance captured the imagination of millions. Death was to be feared, because it was about judgment. The delights of heaven’s banquet dimmed, since most people saw God’s just judgment and inevitable punishment intervening. If a community gathered at all, it was not to express faith in the Resurrection, but to seek forgiveness for those who were powerless to help themselves. The dead couldn’t improve their situation, but their loved ones, by expressing sorrow for sin, could. Better yet, the clergy could, if they intervened in a timely fashion, provide the absolution needed for everyone to relax. Ministry to the sick shifted away from a ministry of consolation toward a challenge to repent before it was too late.

As the sense grew that most people died with their work of repentance incomplete, the color black was reintroduced to funerals. It was the old pagan way of expressing despair. No wonder they call this time in history the “Dark Ages.” Many layers have had to be peeled away to reveal the deepest, most positive expressions of our tradition of care for the dying.

### CHRISTIANITY

Christianity is the spirit of Jesus Christ at work in the world.

### FREE BLOOD PRESSURE SCREENING

A free Blood Pressure Screening Clinic will be held Sunday May 3rd in the parish hall from 8:30am to 12:30pm. These screenings are provided at no charge by your Health Ministry Team, and are given to increase awareness, prevention and detection of high blood pressure. It is possible to have high blood pressure without any symptoms—and this can lead to serious problems, even death, if left untreated. Come to the clinic and let our nurses help you monitor your blood pressure.

**What is high blood pressure?**

This is a common condition and is determined by the amount of blood your heart pumps and the amount of resistance to blood flow in your arteries. The more blood your heart pumps and the narrower your arteries, the higher the pressure. This condition can exist for years, and if uncontrolled increases your risk of serious health problems. Fortunately high blood pressure can be easily detected, and once aware of the condition you can work with your doctor to control it.

## BISHOP COTTA'S APRIL REFLECTION

April— A Season of New Life

As we embrace this season of “risen life”, we also notice that we are surrounded by a “rebirth” of nature, a dramatic transformation: bleak winter blossoms in a “season of new life.” At this time of the year we are surrounded by great agricultural activity, and we thank God for the farmers and all who assist them as growers and stewards of the fruits of the earth.

As we thank God for all of this, let us call to mind another important factor, the need to continue to pray for the snow in the mountains and rain in our valley. In order to be a farmer one needs to be a person of faith and prayer, for so much of what the farmer does, in relation to the cycles of nature, is out of his control.

As we move through the months of spring, summer and arrive at the season of harvest we are reminded there are special blessings in regard to agriculture. In the Church’s calendar they were known as “rogation days.” In today’s world Rogation days are associated mostly with prayer for blessing on the harvest. Whether our food comes from our garden, or the supermarket, someone had to grow it; and before that God had to plant the mystery of life in the seed, or even the most skillful farmer could not make it yield.

While our parishioners involved in agriculture immerse themselves in their demanding work, we might inform them that the Church is here to spiritually support them and ask God’s special blessing on their work.

As we journey through this Easter Season of “new life” let us be mindful of the variety of crops and of those who tend the fields. Let us pause and offer a prayer of blessing and gratitude for them and for God’s generosity,. As this year progresses, let us be grateful for the fruits of the earth and always be mindful of our call and duty to be good stewards of God’s creation.

Wishing you all a blessed Easter Season as we continue our Paschal journey toward the feast of Pentecost. Let us prayerfully await, not only, a bountiful harvest of earthly fruits, but also the spiritual fruits produced and nurtured by the gracious Holy Spirit. *Bishop Cotta*

### RELIGIOUS EDUCATION CENTER

The donation of monies to initiate the construction, and to currently repay our loan, are the result of sacrifice of treasure by our parishioners who made and paid pledges, and those who continue to contribute through our “Pink Envelope” building fund collection on the first Sunday of each month. In addition many of our ministries have contributed to the fund.

When our pledge drive began a couple of our parishioners were looking for a way to help build our Parish family, bringing members closer together, and at the same time raise funds to help repay our loan for the Religious Education Center. Rose Basos and Paz Cajucom began the Casino bus trips to achieve these objectives. Even though they have successfully fulfilled their pledge of \$10,000, they are continuing their trips. If you would like to join their group for fun and entertainment and at the same time raise money for our loan repayment, their next trip is May 7th. Call Rose 381-3846 to join us.

## Quinto Domingo de Pascua 3 de mayo 2015

### PARA DAR FRUTO

“Hijos míos: No amemos solamente de palabra; amemos de verdad y con las obras”. Las palabras de Juan nos llegan hoy cuando el pasaje del Evangelio nos presenta con la gran imagen del viñedo y las ramas. Jesús usa la imagen como un aviso a los que se han empezado a distanciar de la senda del Señor. Esto sucede cuando amamos a Dios y a otros “con palabras o dichos” y no con “la verdad y las obras”. ¿Qué significa para nosotros “permanecer en Cristo”? El Señor nos da un ejemplo con la extensión de la metáfora. Si permanecemos en él, daremos mucho fruto. Como ramas sacamos la fuerza de Cristo que es la viña. Esa fuerza nos facilita dar fruto –hacer el trabajo de los verdaderos discípulos.

### LECTURAS DE HOY

**Primera lectura** — Bernabé explica a los discípulos en Jerusalén la conversión de Pablo (Hechos 9:26-31).

**Salmo** — Bendito sea el Señor. Aleluya (Salmo 22 [21]).

**Segunda lectura** — Dios nos ordena que creamos en el nombre de Jesucristo y que nos amemos como él nos ama (1 Juan 3:18-24).

**Evangelio** — Los que viven en Jesús y Jesús vive en ellos producen mucho fruto (Juan 15:1-8).

### TRADICIONES DE NUESTRA FE

Durante la Última Cena, Jesús dijo a sus apóstoles: “Yo soy la vid, ustedes son los sarmientos” (Juan 15:5). Jesús añade que los sarmientos (ramas) que permanecen en él, dan mucho fruto. Según la agricultura, la vid es una parra, es decir, una planta perenne de ramas frondosas.

Una parte importante de la vid son las hojas. Es obvio que una vid tiene hojas, pero Jesús no las menciona, prefiere enfocarse en los sarmientos. Las partes de la vid son las raíces, tronco, sarmientos, hojas, flores y fruto. Según esta división Jesús sería el tronco, pero él dice ser la vid completa. Esta es una imagen de la unidad que Jesús quiere entre sus seguidores. Recordemos que Jesús celebra la Última Cena con sus discípulos. La comunidad de discípulos unidos a Jesús formamos la vid. Los sarmientos o ramas conducen agua y minerales a las hojas, flores y frutos, y son útiles en tanto estén unidos a la vid. Lo mismo vale de los cristianos, discípulos de Jesús. Son ellos y ellas los que hacen presente y le dan vida a Jesús en el mundo de hoy.

### “AHI TIENES A TU MADRE”

Oración: “Virgen Santísima, Madre del Verbo encarnado y Madre nuestra, venerada con el título de “Auxilio de los cristianos” en el santuario de Sheshan, a la que se dirige con devoción toda la Iglesia en China, hoy venimos ante ti para implorar tu protección. Mira al pueblo de Dios y guíalo con solicitud maternal por los caminos de la verdad y el amor, para que sea siempre fermento de convivencia armónica entre todos los ciudadanos.

Con el dócil “Si” pronunciado en Jerusalén, tu aceptaste que el Hijo eterno de Dios se encarnara en tu seno virginal iniciando así en la historia de la obra de la redención, en la que cooperaste después con solícita dedicación, dejando que la espada de dolor traspasase su alma, hasta la hora suprema de la cruz, cuando en el Calvario permaneciste erguida junto a tu Hijo, que moría para que el hombre viviese. Desde entonces llegaste a ser, de manera nueva, Madre de todos los que acogen a tu Hijo Jesús en la fe y lo siguen tomando su cruz.

Madre de la esperanza que en la oscuridad del sábado Santo saliste al encuentro de la mañana de Pascua con confianza inquebrantable, concede a sus hijos la capacidad de discernir en cualquier situación, incluso en las más tenebrosas, los signos de la presencia amorosa de Dios.

Señora nuestra de Sheshan, alienta el compromiso de quienes en China, en medio de las fatigas cotidianas, siguen creyendo, esperando y amando para que nunca teman hablar de Jesús al mundo y del mundo a Jesús. En la estatua que corona el Santuario, muéstranos a tu Hijo al mundo con los brazos abiertos en un gesto de amor: Ayuda a los católicos a ser testigos creíbles de este amor, manteniéndose unidos a la roca de Pedro, sobre la que esta edifica la Iglesia.

### MES DE MARIA

La Iglesia otorga este mes a María para conocerla y amarla. Mayo es el mes de las flores, la primavera. Muchas familias se preparan para festejar los sacramentos de Primera Comuniones, Confirmación y grados, finalización de un año escolar, cumpleaños etc. Pero también para recordar a su Mamá, que se hace el honor a la mujer, la Madre. Muchos hijos dan flores a su ser querido la "mamá". El mes para ir al campo o parque al aire libre, rodeados de la belleza de la naturaleza donde descubrimos a nuestro Creador. Por eso debemos rezar el Santo Rosario. Y dar gracias a Dios por la Madre de Jesucristo-Dios nuestro Salvador.

### CATHOLIC DAUGHTERS

Se les pide a los Ministros de Hospitalidad que dirijan a los padres de familia al cuarto designado para los pequeñitos que se cansan en la misa y en ese cuarto el niño se puede sentir mas en libertad, solo se le pide a los padres que solo sea un miembro de familia con el pequeño y los demás miembros de la familia se sienten afuera en las bancas de la Iglesia porque le quitaría lugar a otro pequeñito, tenemos que compartir y sentirnos tranquilos y dejar que otros también escuchen la Santa Misa. Esta sugerencia viene de la junta del Consejo Pastoral.

**Café y donas de parte de los Caballeros de Colón, el Domingo mayo 10,17,24 y 31.** Se estará sirviendo café y donas, chocolate y te en el atrio, entrada principal de la Iglesia. Con una donación. Esta es una oportunidad para conocer a nuestros compañeros feligreses y celebrar nuestra misa cada domingo
