Our Learning

Dear Families,

We had another great week in Kindergarten!
This week we will continue learning how to
correctly form and sound out the letter o,
complete our second chapter in math on
comparing and ordering 0 to 5, complete
chapter five in religion discussing how God
Creates All People, and complete activities in
social studies, language arts, and science. Have
a wonderful week!

At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out the letters a, c, d, f, g and o. We do not learn the letters in alphabetic order. Please make sure your child is beginning their letters at the top of the line, not the bottom 😊

Reminders

It was so fun to see all the Kinders try their best at the Jog-a-Thon. They ran so many laps and tried so hard. Friday is the last day to turn in your jog-a-thon money by 9am. You can still go out and get those donations!

With the weather changing, please make sure your student has a coat/sweatshirt each day. Even when it is raining they go outside to play undercover and it can get cold.

Mrs. Broudy is still working hard to test every student's rainbow words. It is taking longer this first time because we need to assess which list every child should begin on. If she has not gotten to your child, she will this week!

Please remember to return your child's book bag every money and I will replace the books. It helps if you fill in the Excel sheet with the book's name. You only need to write it one time, even if your child reads the books more. I would suggest reading each book 2-3 times.
