October 25th- Pumpkin Patch Field
Trip-Leaving at 10:30am

October 31st- Noon Dismissal, Parent-
Teacher Conferences, Halloween Party
10:45am.

Reminders

With the weather changing, please make sure your student has a coat/sweatshirt each day. Even when it is raining they go outside to play undercover and it can get cold.

Our Pumpkin Patch field trip is Thursday! Our tour begins at 11:15am, so we will plan to leave CTK at 10:30 or slightly after for those driving/chaperoning. Please bring your student to school at normal time. Please make sure your student has a brown bag sack lunch. Why I ask for a brown bag is it is easier to throw away after lunch and I do not have to carry 23 lunch boxes :-). Please also make sure if you are not attending you bring your child's car seat to school Thursday morning. You can drop it off in my classroom. I sent the list of chaperones/drivers in an e-mail last week, if you did not receive it please let me know.

The conference sign up link is live. Please sign up for one conference time. Conferences will take place Wednesday 1-3:15, Thursday 11am-7pm, and Friday 8am-2pm.

Today I am sending home a questionnaire for each child. Please take some time to fill this out and send it back. We are going to begin a fun new activity to get to know all of our classmates!

I am also sending home a log-in page for Xtra math. This is a program we use to build on our math facts. The children have watched the video explaining what Xtra math is. You can use this log in to practice at home using a computer, ipad or tablet. I remind the kids this is just practice!

Our Learning

Dear Families,

We had another great week in Kindergarten! This week we will continue learning how to correctly form and sound out the letter h, complete our second chapter in math on comparing and ordering 0 to 5, complete chapter six in religion discussing how The Bible Tells Us About God's Love, learn about spiders and conduct some science experiments relating to spiders, and complete activities in language arts. Have a wonderful week!

At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards.

We have learned how to correctly form and sound out the letters a, c, d, f, g, o and h. We do not learn the letters in alphabetic order. Please make sure your child is beginning their letters at the top of the line, not the bottom ☺
