## Our Learning

Dear Families,

We had another great week in Kindergarten! Thank you to all those who drove and chaperoned at the pumpkin patch! The weather held off just long enough, and the kids had a great time! This week we will continue learning how to correctly form and sound out the letter s, complete some Halloween math activities on graphing, discuss All Saints Day in religion, and complete some Halloween themed activities in science, and language arts. Have a wonderful week!

## At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out the letters a, c, d, f, g, o, h and s. We do not learn the letters in alphabetic order. Please make sure your child is beginning their letters at the top of the line, not the bottom ☺

## Reminders

The conference sign up link is live. Please sign up for one conference time. Conferences will take place Wednesday 1-3:15, Thursday 11am-7pm, and Friday 8am-2pm. If one of these times does not work, please-email me ASAP to set up an alternate time.

Last week I sent home a questionnaire for each child. Please take some time to fill this out and send it back. We are going to begin a fun new activity to get to know all of our classmates!

Our Canned Food Drive begins this week! Please start bringing in those canned food items to support St. Vincent de Paul. This is the Kindergarten Service project for the year. The canned food drive will go from November 1<sup>st</sup> to November 20<sup>th</sup>. There will be labeled boxes in the main office with each grade to place your canned food. If you own a business and would like to help support us, Margaret, Jacob's mom, designed some WONDERFUL flyers I can give out! We could use some volunteers to help count cans in the morning. If you are available to help please contact myself or Tisha Sparks.
