Our Learning

Dear Families,

We had another wonderful week in Kindergarten!
This week we will continue learning how to
correctly form and sound out the letter e, complete
some Thanksgiving math activities, discuss
Thanksgiving and what we are thankful for in
Religion, discuss the First Thanksgiving in social
studies and complete activities in language arts.
Have a wonderful week! I hope you all have a
wonderful Thanksgiving with family and loved ones.
I am so thankful to be your child's teacher and feel
so loved and supported by each of you!

At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out the letters a, c, d, f, g, o, h, s, qu, b, and e. We do not learn the letters in alphabetic order. Please make sure your child is beginning their letters at the top of the line, not the bottom 😊

Reminders

We have extended our canned food drive! We will end on November 30th. Please bring in those canned food items to support St. Vincent de Paul. This is the Kindergarten Service project for the year. There are labeled boxes in the main office with each grade to place your canned food! As of today, Kindergarten has a total of 308 cans. Last year the school brought in over 5,400 cans and Kinder brought in 388 cans. I would love to surpass that number this year!

Just a housekeeping reminder to please continue to read the newsletter and reminders each week. This will update you on upcoming events and everything we are doing in the classroom. ☺
